Spa Services

Price List Per Treatment/Session

DR. ACULA FACIAL WITH PRF

\$1,300

- Laser Microneedle followed with liquid PRF to improve skin texture, and restoring a younger, more vibrant appearance.
- 4 days down time
- Requires blood draw during procedure to make liquid PRF. Can also replace PRF with Vit C Serum.

SMOOTHLASE INTRAORAL

\$600

- Intra-Oral Laser treatment for natural lifting and reducing facial wrinkles, that helps reduce/eliminate dark undereye circle
- Recommend one session per decade of life for initial treatment, then semi-annual or annual maintenance
- Typical results are skin appearance 10 years younger, results vary with each skin type and initial skin condition.

LIPLASE

\$300

- Natural, Plump lips**
- Minor Peeling
- No Downtime

**** Recommended 3 treatments, 3 weeks apart and then every 4 months depending on plumpness desired.**

VECTOR FOREHEAD AND EYE BROW LIFT

\$450

- Helps build collagen, lifts forehead and eye brow while improving the look of fine lines and wrinkles
- Slight ablative, minimal peeling, if any
- Little downtime, will have peeling and redness on forehead
- **Natural Botox alternative**

UPPER/LOWER EYE TIGHTENING

\$350

- Improves look of fine lines and wrinkles around the eyes by building natural collagen
- Non-ablative, minimal peeling if any with little to no downtime
- **Natural Botox alternative**

PEELS

\$500-\$1000

- Great for improving skin texture, especially after Intra-Oral Smoothlase.
- Ablative, will peel, depending on depth.
- For reducing fine to deep wrinkles and even out skin texture.
- 24hrs to 1 week downtime

SMOOTH PREVENTION

~~\$350~~ **\$200**

- Great for refreshing appearance while building collagen and improving the look of fine lines
- Minimal peeling, if any
- Does not eliminate deep wrinkles
- Little to No Downtime

Summer Special
